

## Laura Luck

When Laura first picked up the church choir baton in 2011, little did we know how much fun we would have with her, nor how she would help us develop our

singing, both individually, and as a group. Key characteristics we quickly became aware of are her sublime voice, and her enormous reserves of good humour and patience! Highlights of the four years under her direction have been the annual Advent and Nine Lessons and Carols services, some of the gorgeous evensong music we have prepared, and perhaps to her surprise, the recent Chilcott Requiem concert. The singing has been wonderful, but so has the laughter; particularly memorable was the occasion when, as so often threatened, she whipped out a sign instructing us to watch her, or else! We have also enjoyed her fluorescent high heels and her endless and

generous supply of chocolates! It goes without saying that we have appreciated her hugely and will miss her even more. We can only hope she'll come back to sing as often as possible.

## NEWSLETTER FEBRUARY 2016

The new Bishop of Kensington, The Rt Revd Graham Tomlin, with the clergy team when visiting us for Midnight Mass

### Vicar's Viewpoint

Lent starts early this year with Ash Wednesday on Feb 10<sup>th</sup>. Time to get thinking about what to give up! Time also to think about taking up a few things. Here's what we can offer:

#### **Faith**

Exploring the great issues of faith is best done through participation in a pattern of contemplation and discussion with a group of fellow travellers. This is what our Pilgrim courses are designed to offer. We are putting on both morning and evening courses (lasting 6 weeks), covering some of the essential elements of **Christian** teaching, such as the Creeds and the Commandments. They have been described as 'gently but profoundly life-changing'. I encourage you to find out more via leaflets in church or our website.

#### **Prayer**

Very few people find prayer easy, myself included, and yet it can be key to our spiritual well-being and relationship to God. We are offering an introduction to different styles of prayer on Thursday evenings in Lent, beginning Feb 25<sup>th</sup>. These will include the use of creative arts, silent contemplation and reflective music. Again, leaflets are available, or you can find out more via the website. Please note that the venue will alternate each week between St

### **Giving**

The Bishop for London has asked us to support persecuted Christians in Iraq and Syria. Please consider giving generously to this appeal which will go to two reputable charities: *Open Doors* is providing emergency food supplies and hygiene kits to almost 10,000 families every month in Syria. In Iraq, *Aid to the Church in Need* is focusing on the urgent needs for housing, medicine and education which will enable the Church to maintain its Christian presence. To donate please use our yellow gift aid envelopes and write 'Lent Appeal' on the top (cheques payable to 'St Mary with St Alban') or give via the website [www.give.net/lent16](http://www.give.net/lent16).

### **Ash Wednesday**

Finally, I invite you to make a good start to Lent by coming to one of our Ash Wednesday services (see diary). In the evening we will be joined by the Right Reverend Graham Tomlin, our new Bishop, who is an eminent theologian and wonderful communicator. He will talk about faith and prayer. I hope you can join us.

Best wishes

*Joe Moffatt*

## Planned Giving Appeal – Update

In October we explained that we **needed an increase of £22,000** in our annual planned giving income (from £68,000 to £90,000). We were also hoping for an **increase of 35** in the number of our planned giving households (from 165 to 200). I'm pleased to report that we received pledges that amount to **an increase of £18,000**, and that this is made up of **34 new planned giving households**, plus at least **14 existing households who have lifted their giving**. This is a testament to the generosity of the St Mary's congregation. It's wonderful to see a growth of 20% in our number of givers. Thank you to everyone who has responded with such generosity, and to all our existing givers who continue to ensure that the church is funded – we cannot exist without it, and your support is hugely appreciated! We would, of course, be delighted to receive further pledges. Leaflets and forms are available at the back of church and on the website.

## Las Posadas enjoys another year in Teddington

The name 'Las Posadas' means 'The Inn' or 'Shelter'. This Mexican tradition re-enacts Mary and Joseph's journey from Nazareth to Bethlehem, and their search for a place to stay.

On the first Sunday in Advent our knitted Mary and Joseph with their trusty donkey, set off visiting homes in the Parish who had offered to provide a 'Posada' for the night.

Each home could use the visit to prepare for Christmas, and to reflect on the journey made so long ago by Mary and Joseph. Our little knitted family joined in Bible readings; said prayers; sang carols; lit candles; went on trips; met invited neighbours, and a fair few teddies,

along the way. Lots of fun was had by all who took part, with the added joy of friendships deepening at hand-overs.

## Reflections on our Pilgrim Lent Course

Pilgrim is a major new teaching and discipleship resource from the Church of England. It aims to help every local church create a place where people can explore the Christian faith together and see how it can be lived out each day.

The Pilgrim courses are intended for ALL Christians as we continue to journey through faith. The courses are 6 week topic based which involve group discussion, Bible reading, prayer and reflection.

From a personal point of view the Pilgrim courses have been invaluable and have succeeded in fostering both faith and friendship in my everyday life. They have helped me form meaningful relationships within our congregation and extend my theological knowledge.

I am looking forward to witnessing and participating as Pilgrim continues to grow in our church and community.
