£120

Hello I am so glad that you are reading this flyer for the Kensington Area Youth Weekend away 2017! It means you are one step closer to signing up for this 'not to be missed' time away! This will be the 4th year that young people from Anglican Churches across the Kensington Area take time out together to spend time with God, make new friends and basically have a load of fun. Whether you are brand new to the Weekend Away or have been before there will be a huge welcome waiting for you at the brilliant site at Oakwood Youth Challenge.

Oakwood is a twenty acre site located near Bracknell and is easily accessible from London by road/rail. Accommodation includes comfortable dorm rooms and en-suite facilities as well as a lounge, dining hall and games room with table football and table tennis. Outdoor activities include high ropes, zip wire, climbing and mountain boarding. All activities are run by fully trained staff with all equipment provided. www.oakwoodyouth.co.uk

Who's Who? The weekend is being led by Bishop Graham and Mary Ayers alongside a team of youth workers and clergy from participating Churches. All adults on the weekend are fully DBS

Bishop Graham *"I am really looking forward to being part of the Kensington Area Youth Weekend Away. This weekend should be a lot of fun, a chance to meet new friends who are also seeking to follow Jesus, and also a great opportunity to deepen and strengthen your faith."*

Mary Ayers *is the Kensington Area Youth and Schools Chaplain. She has led on all three previous Kensington Area Weekends Away and is looking forward to the great times ahead at the 2017 event. She loves lego, trainers and obviously the youth!*

How do I sign up? Speak to your youth leader or vicar, they will have a booking form for you. Fill the form in and return it to your youth leader/vicar by March 21st to secure your space. Places are first come first served. **Price:** £110 includes food, accommodation, and all activities. This does not include transport to or from the venue which needs to be provided by yourself or your own church. Bursaries are available for those who otherwise cannot afford to come, just have a word with your vicar/youth worker.

Looking forward to seeing you in May!
