

PERSONAL INFORMATION

As the information being provided is personal we are also taking this opportunity to ensure our existing records are correct. Over the past few years you may have given us information, for example, on Sunday School consent forms, for a baptism or at one of our events. All this information has recently been combined - by household - so we want to ensure it is correct and you consent to St Mary with St Alban holding this information. This is solely for church records and no information would ever be passed on or used for other purposes.

Any personal information you give to us will always be processed in accordance with the UK Data Protection Act 1998.

PARISH CHURCH *of* TEDDINGTON

Time and Talents: what can you offer?

We are a growing church with a vision for what God wants us to be

**“We aspire to be an open and welcoming church
Engaging with the wider community
Fostering faith and friendship
And bringing people of all ages together
For the Glory of God.”**

This vision has already resulted in some exciting developments such as our new Morning Worship Service at 9.00am and a home-based discussion group evolving from our Exploring the Christian Faith course. There is still much work to be done and many more projects in the pipeline. We will need lots of people playing a part - a church is only true to itself when all its members feel able to contribute.

This leaflet is an invitation to indicate what time and talents you may be able to offer. There are various jobs that we know need doing so we've provided an extensive list in the hope that you will be able to tick one or two boxes, if not more. We are just as interested to know about your skills and enthusiasms so that when opportunities arise we can call upon the abundance of talent and expertise in our midst.

Please take a few moments to complete this form. Even if you are already doing as much as you can (and perhaps filled out a similar form in 2010) we would be very grateful if you could still complete it so we can ensure our records are up-to-date.

If you feel unable to offer much at present due to constraints of time, age, ill-health or other demands, please know that there is no more important job than simply praying for the work of the church and offering encouraging comments. So there's a box for that as well!

Joe Moffatt
